

**SHEFFIELD ESTELI SOCIETY (SES)  
ANNUAL BIKE RIDE - SUNDAY MAY 21<sup>st</sup> 2017**

**10 MILE RIDE GUIDE**

Name:  Rider Number:

IMPORTANT TELEPHONE NUMBERS ON THE DAY: Please pick up a slip detailing these when you register.

All signs are in GREEN for the 10 mile ride

The start is at the **Hallamshire Squash and Tennis Club** at 716 Ecclesall Rd, Sheffield S11 8TA , (just before the entrance to Ecclesall Park). **There will be green signs and arrows which will say SES indicating the route throughout.**

- Start at Hallamshire Squash and Tennis Club
- Ride through the Park past the duck ponds to Rustlings Road. Get off your bike and cross the road and continue through Bingham Park, past Shepherds Wheel.
- Go over Hangingwater Road and continue till you cross Whiteley Wood Road. Shortly after this there will be a sign left that will take you up a slope on to a tarmac track, which will take you to Forge Dam Café on the right.
- After Forge Dam there is a path on the left signposted 'Cambridge Path' which leaves Route 6, but runs parallel. This may be easier and smoother for small children and comes out at the same point on Quiet Lane. Other riders may want to continue on Sustrans Route 6.
- At Quiet Lane continue on Route 6. Some parts of this route are a bit gravelly and you may choose to get off and push over these.
- Come out on to Greenhouse Lane and turn left onto Wood Lane. The marshal point is in a layby with picnic tables, opposite Moorfield Farm. Please give your name and rider number to the Marshal there. Drinks and cakes can also be found here!

**Return Route**

- Turn right at Greenhouse Lane. Turn left on to Harrop Lane (do not take the Sustrans Route 6 that you came up), and then right on to Foxhall Lane. This will take you down the hill. Turn right on to Mark Lane, which runs into Clough Lane and you will meet up again with Sustrans Route 6
- Retrace your route to Ecclesall Park past Forge Dam.

Well done and Thank You for taking part!
